This is just the beginning, that is why the application is simple to fill out. The real work begins with a real conversation with us. This dialogue will not only include staff but current students. We want you to have the opportunity to do the research and hear all the stories. Making a good match for students and our program is a priority. In fact, in the rare event we help you discover TrackersTEAMS may not be the best fit for you, we are very ready to recommend wilderness schools (and other education options) that may. We are committed to helping you find the right fit.

**Step 1 The Beginning** Fill out the simple application below

**Step 2 The Call to Action** Confirm we got it, call 503-453-3038 and we'll schedule a personal interview

**Step 3 The Conversation** We tell each other what inspires us, and discover if this is a good match

**Finale** You receive your TrackersTEAMS acceptance packet and it all begins

**Call us with questions** 503-453-3038 ask for Tony Deis, Immersion Program Director
